# GREETINGS

Hello, this is Itou Hachi.

This book is a redrawn, cleaned-up version of the original yuri couple manga I put out online. That makes this my second original doujinshi, I think?

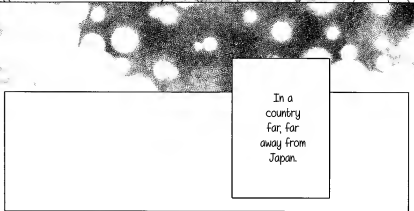

I hope you'll like this one too!

"We never love  
but once. That is  
the first time  
we love."

Like the  
letter said

I'm poor  
and weak.

The  
differences  
that stood  
out were...

The  
inhabitants of  
that country  
closely resembled  
humans

in appearance  
and lifestyle.

the animal  
ears that  
grew from  
their heads,

and their  
acceptance  
of same-sex  
marriages.

The olive  
flowers are  
blooming!

I thought  
something  
smelled  
nice...

This is the  
story of one  
such couple  
living in this  
country.

Oh,  
I know!

Ah!

Haru-san.

Now the  
house will  
smell good  
too!

Ah

Yes!

They're  
blooming in  
the garden,  
so I'm using  
them to  
decorate.

What a  
nice scent.

Oh, are  
those olive  
flowers?

Would you  
mind

helping me  
put on my  
kimono?

I love  
them.

Olive  
flowers are  
small and  
sweet, just  
like candy.

Haru-san's  
more of a  
poet than me,  
a novelist.

I'll help  
you change  
right now!

は？

I'm suddenly  
feeling  
embarrassed  
after saying  
that.

Candy,  
huh...

see her off properly?

Did I

I wasn't making any weird faces, was I?

Haaaa

I WAS SO nervous

and I'm still not used to us being a couple!

It's been half a year since I've married Sensei.

when I received her offer.

It was about a year ago

Is this what arranged marriages are like?

I don't have  
any other  
daughters!

For me?

A marriage  
proposal?!

...but  
you should  
know

Chirp

Birdfeed

Chirp

Troubling?

and it's  
a little  
troubling

This  
offer's from  
your uncle.

I don't  
mind

But you'll  
be left alone  
if I get  
married.

Been living a life of leisure until now and wanted to settle down, which is probably why Uncle's sent this proposal.

Works as a novelist, so income's unstable too.

No academic achievements, no assets, and 31 already. Not young.

I know, right? There aren't.

Aren't there any good traits about this person?

I'm shocked.

.....

Well, that's why

I'm thinking of turning it down.

Even if I'm a late bloomer, isn't this a little rude?

I wonder why  
a beauty like her  
hasn't tied the  
knot already..

Her  
picture.

Hmm.

I wonder  
what kind  
of person  
she is.

But her  
eyes look  
sad.

She's  
pretty

You've been looking outside the whole time...

Oh  
Um, this is my first time on a train...

I'm so excited!

Is there something interesting?

After the purely symbolic gift exchange and ceremony

we became husband and wife.

Do your best!

You too, Mother!

I'm so  
happy to  
be able to  
live here!

So pretty.

The entire  
street is  
lined with  
them.

Huh!?

Uuu...  
///

You were  
so stiff on  
the train I got  
nervous too.

So you  
finally  
smiled.

I was right  
to move to  
this town.

But I'm  
glad you  
like them.

Th This  
is so embar  
rassing!

Why  
am  
so

Why?

But if  
that is fine  
with you.

will you  
become my  
wife?

I'm poor  
and weak.

The letter  
your uncle  
sent on my  
behalf like the  
letter said.

But she's  
unsure of  
herself, calling  
herself a weak  
person.

a great  
person, in my  
eyes.

Sensei is

Hm?

That was  
what she said  
just after we  
moved here.

It's  
gotten  
a bit  
chilly

Yes,  
I did

These books...  
Did you write  
all of them?

Really?

I know  
this story!  
Everyone  
from the  
girls school  
I went to  
read it!

This...

My job is  
to write  
novels...

I love  
this book!

I can't  
believe you  
were the  
one who  
wrote it.

I'm so  
happy!

I was  
only doing  
my job.

It's nothing  
special.

That's what  
Sensei said,  
  
but  
I thought  
it was  
wonderful.

It's nothing.  
Please  
continue.

Is something  
wrong?

Sensei!

Ah!

Sorry.

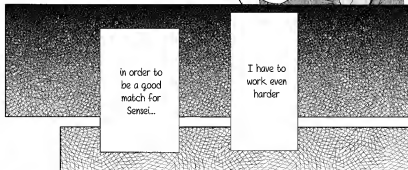

How can  
I work with  
you staring  
at me like  
that?!

How did  
you survive  
until now?

I had  
a maid.

But I'm  
horrible with  
housework,  
so I was  
observing  
you.

There's a  
scene with  
housework in  
the story I'm  
writing right  
now...

Glance

A muffler will  
definitely make  
Sensei's hair  
stand out!

I'm glad we  
had some  
good yarn  
left over  
from last  
year.

Is she still  
working?

Sensei.

Q  
Q

and then  
she says  
something  
like that.

She's  
so quiet  
usually

That  
Sensei..

I have  
in a great  
wife

I'll work  
on it a little  
more too!

Ku-  
chuu!!

Since  
I fell asleep  
at the table  
yesterday.

But I'm  
glad I  
got the  
muffler  
finished

maybe  
I caught  
a cold.

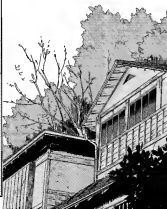

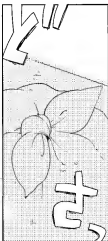

Grasp

Worrying  
about all  
that made  
me buy too  
much...

The  
radish was  
cheap

I have  
to do my  
part too!

Sensei's been  
busy working  
recently..

Right  
after saying  
all that...

Haru-san

I'm  
sick

Do I have  
a fever?

Hm?

Cough

It's nothing!

What's wrong?

You're holding a rash!

I'm going out for a meeting with my publisher...

Your face is flushed...  
Do you have a fever?

I'll go tell them to cancel it, so just wait for me.

Sensei you can't!

....

You should go to your meeting.

I'll be okay by myself

Since we're  
husband and  
wife!

Sensei.

It's just  
the normal  
flu.

Don't  
die on  
me!

Haru-san!

So hot...

In love  
with you,  
Sensei.

I'm

You're  
my first  
love.

"We never  
love but once.  
That is the  
first time  
we love."

My first  
love is my  
husband.

She's  
the only  
one I  
love.

## AFTERWORD

Thank you very much for buying this yuri couple book!

The inspiration for making this book:

"Mix all sorts of stories and novels and make a parody people will get  
I want to make a yuri doujinshi like that!"

In the end I wasn't able to publish that doujinshi,  
but after changing the setting and character designs,  
revising and rewriting, it became this book.

Animal ears are wonderful, aren't they?

If some of you are going "Could this be...", and caught on to my act,  
I will be delighted.

I've thought of a sequel for these two,

so I think I'll put out a second book.

When that time comes I hope you'll buy it.

2014/2/2 Itou Hachi

Sensei's

taking an  
afternoon  
nap. How  
rare.

すけ...

Still  
holding  
a book

She  
must be  
tired.

STARE

すけ...

she'll  
definitely  
look good  
as a girl  
too!

Sensei's  
usually  
dressed  
like a man,  
but..

Done!

Now our  
hairstyles  
match!  
Hehe...

If I braid  
her hair  
like this...

How  
long should  
I keep up this  
sleeping act  
for...

THE END.

## Harundon and Senpai

How about a simple Japanese school?

Let me share with a warning

I hope you like this

Senpai, what would you like to eat?

Clay!

These were brought as clay for the school for dinner?

The next day

.....

Your Japanese school is fantastic, Harundon!

The next day

Harundon!

No more Japanese school here going to get diabetes at this rate!

and even your day is over!

Don't look!
